Direction for Use: Mix 1 scoop (20 g) of IGNITRO™ with 8 oz of cold water and consume 30-45 minutes before training, on an empty stomach.

Cautions: For healthy adults only. Do not use more than two servings per day. Not intended for children, pregnant or breastfeeding women. Do not use if you have had a Myocardial Infarction (Heart Attack). People with any health conditions should consult a healthcare practitioner before consuming this product. Consult a health care practitioner prior to use if you are taking any medications including antidepressants, blood thinners, MAO inhibitor, lithium, stimulants or Digoxin. Consumption with natural stimulants (e.g. bitter orange extract, synephrine, octopamine, ephedra), caffeine-containing products or drugs which increase blood pressure is not recommended. Not recommended for people with diabetes, heart, liver, kidney problems, glaucoma or detrusor instability. Drink 2-3 glasses of water to prevent dehydration. This product contains the naturally occurring amino acid beta-alanine, which may cause a tingling skin sensation in some individuals. Do not use if the security seal is broken. Keep in a cool and dry place, away from children.
