***Ingredients:** Protein Blend (Whey Protein Concentrate, Calcium Caseinate, Egg White Albumen), Maltodextrin, Crystalline Fructose, Cocoa, Medium Chain Triglycerides (derived from Fractionated Coconut Oil), Tricalcium Phosphate, Enzyme Blend (Protease I, Protease II, Lactase, Amylase), Natural and Artificial Flavours.

MAMMOTH 2500™ is a hard-gainer's dream!

This delicious enzyme-activated formula is the most calorie dense weight gain product on the market today. Medium chain triglycerides are added as a slow burning, long-term energy source that are not stored as body fat.

MAMMOTH 2500™ is a high calorie weight gain formula that contains 50 grams of premium quality, multi-blend protein (Whey protein concentrate, total milk protein, pure egg protein) per serving making it ideal for muscle growth and tissue repair.

Specifically designed for hard gainers or individuals to help them gain weight and strength fast. Two servings daily of MAMMOTH 2500™ provides you with 2500 calories and over 130 grams of protein (when mixed with whole milk).

MAMMOTH 2500™ features:

- Low glycemic index carbohydrate source
- Fat content derived solely from Medium Chain Triglycerides
- 50 g of protein per serving – 68 g when mixed with whole milk
- Enzyme activated and vitamin enriched

MAMMOTH 2500™ contains 152 grams of quality carbohydrates to help fuel your body with plenty of quality calories to help you grow **BIG**. It is the **most calorie-dense and best-tasting weight gain product on the market today!**

MAMMOTH 2500™ is a premium quality protein blend designed for maximum growth with outstanding biological value and protein efficiency ratio. All the ingredients are activated with a high quality Proteolytic Enzyme Blend for maximum absorption.

MAMMOTH 2500™ is suitable for:

- Individuals wishing to gain or maintain weight
- Anyone requiring more calories in their diet

Great tasting and convenient weight gain supplement which can be taken at any time for a mega dose of MAMMOTH nutrients!
