May help to support a modest improvement to body composition when used with a program of reduced intake of dietary calories and increased physical activity.

Ingredient Info

Each softgel capsule contains:

Conjugated linoleic acid [derived from processed safflower (Carthamus tinctorius) seed oil]	850mg
(1000 mg CLA-Rich Oil provides 850mg Conjugated linoleic acid)	

Non-medicinal ingredients: Gelatin.

Dose (adults): 2 capsules, 2 times daily.

Direction of use: Take with food. Consult a health care practitioner for use beyond 6 months.

Cautions: Not intended for children. Do not use if you have cardiovascular disease, diabetes, metabolic syndrome or insulin resistance. Consult a health care practitioner prior to use if you are pregnant or breastfeeding. Consult a health care practitioner prior to use if your goal is to achieve weight loss. Consult a health care practitioner prior to use if you are obese or have cardiovascular disease risk factors (e.g. high blood pressure, high cholesterol and/or triglycerides). Some people may experience gastrointestinal upset. Keep under normal storage condition, in a cool dry place. Keep away from Children. Do not use if the security seal is broken.

CLA™, Conjugated Linoleic Acid, is a natural antioxidant that helps the body to burn fat and build muscle. Our CLA dietary supplement also features Omega 6, Omega 9, Palmitic Acid, and all essential nutrients for maintaining proper health!

CLA™ is a natural occurring free fatty acid found mainly in meat and dairy products and in small amount helps the body burn fat and build muscle. Getting enough CLA™ from your diet for the preferred benefit would require considerable intake of these types of foods. Alternatively, InterACTIVE Nutrition offers CLA™ in a convenient capsule form.
